Data means any digital representation of acts, facts or information and any compilation of such acts, facts or information, including in the form of sound, visual or audio-visual recording.

For GDPR-compliant disclosures, please refer to Privacy Notice.

4. User Data Access, Erasure and Portability

Individuals or legal entities using our Connected Products hereinafter referred to as (“**Users**”) have the right,in accordance with the EU Data Act,to request access to, erasure of, or portability of data generated/collected by Connected Products.

These requests can be submitted via [9.Contact and Data Request Channel]

5. Data Sharing and Compliance with Requests for Data

Data generated by our Connected Products may be shared with third parties under Articles 4 to 7 of the EU Data Act, applicable to the following requesters:

5.1 Business-to-Business (B2B) Access Requests

Exclusively based on the User’s explicit consent;

Contracts shall specify: Purpose limitation, Confidentiality obligations, Data security measures, Prohibition of misuse.

5.2 Business-to-Government (B2G) Access Requests

Based on Article 14-18 of EU Data Act, data may be shared with public authorities:

Permitted under Article 15 for emergencies or legitimate public tasks (e.g., natural disasters, public safety, pandemics);

Data transmitted via encrypted secure channels with strict purpose binding;

Government entities must submit formal written requests with access logging;

Data minimisation principle applies to all shared datasets.

5.3 Third Parties Requests Submission

Third parties may submit formal requests through [9.Contact and Data Request Channel].

6. Data Security and Protection Mechanism

To ensure security of data generated by Connected Products manufactured by OnePlus Technology (Shenzhen) Co., Ltd., we implement the following technical and organizational safeguards throughout the processes of data transmission, storage, and access:

- Implement full security encryption during storage and transmission to prevent data from unauthorised access, use or disclosure (such as by using SSL to encrypt many Services).

- Regularly review practices regarding data collection, storage and processing (including physical security measures) to prevent unauthorised access to or tampering with our various systems and data.
- Establish access rights management mechanism to authorize only necessary personnel to access data.
- Conduct security and privacy protection training, testing and other activities to enhance employee awareness of and proficiency in data protection.
- Use international and industry-recognised standards to protect your data and actively pursue relevant security and privacy protection accreditation.

7. Interoperability Notes

We ensure that the recipient can process the data in a structured, commonly used and machine-readable format in order to comply with the interoperability requirements of Articles 33 of the EU Data Act.

8. Data Use Restrictions and Prohibited Purposes

Without OnePlus's express written authorization or, unless legally required, data shall not be used for the following purposes:

- Development of competing products;
- Reverse engineering of algorithms;
- Targeted advertising or profiling of users.

Any breach of these restrictions may result in legal consequences and revocation of access.
